

No...I Found It!

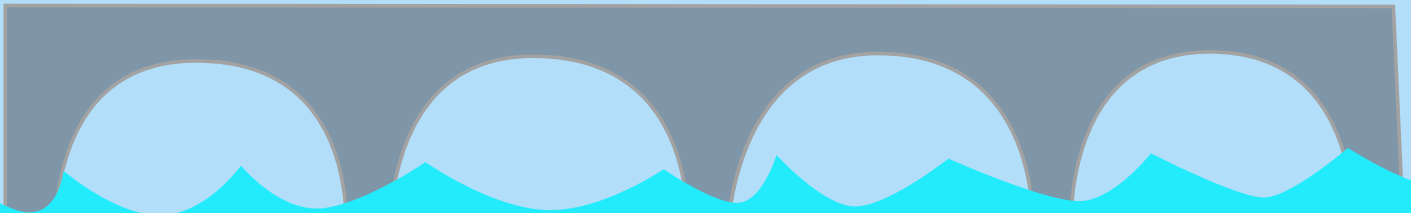

Spooshi Island

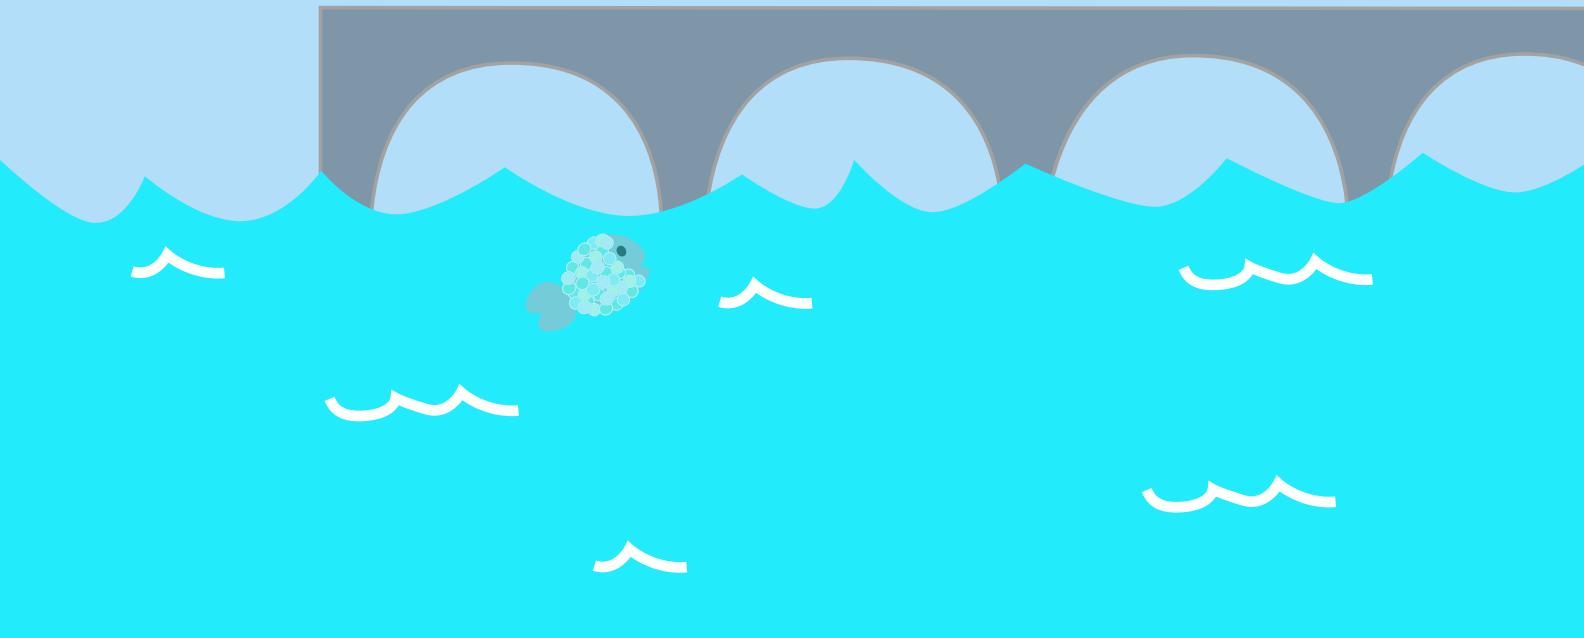

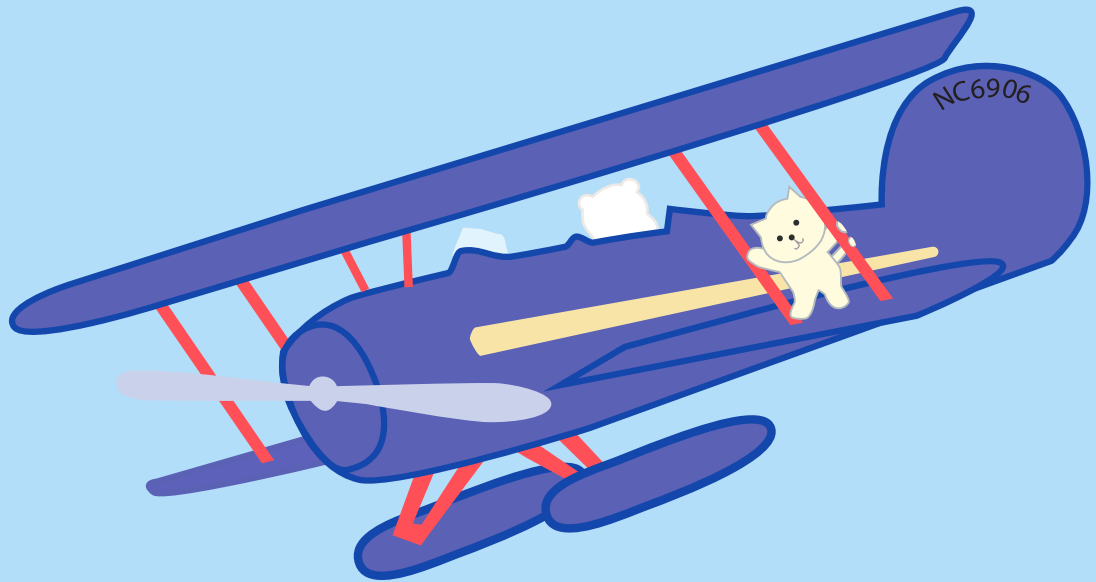

By Rachel Louise Howie
and The Poolees

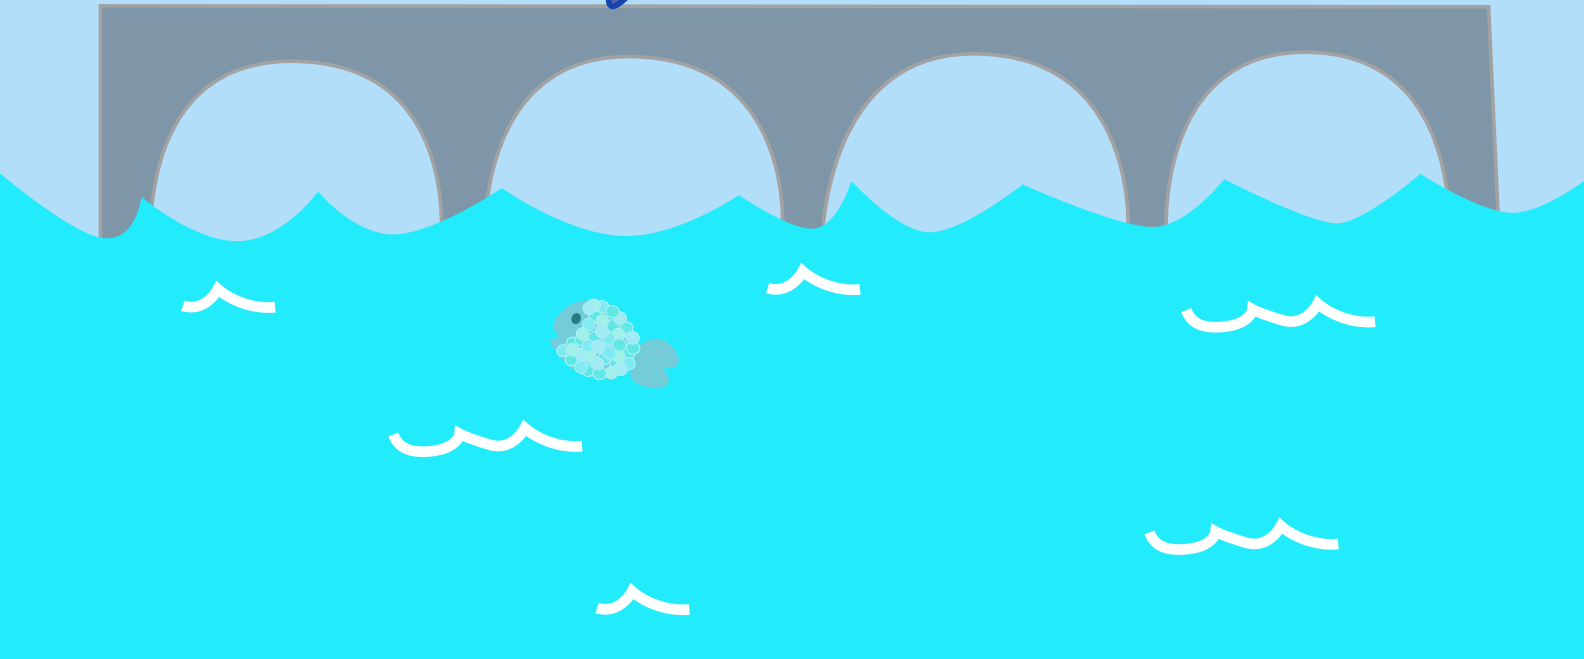

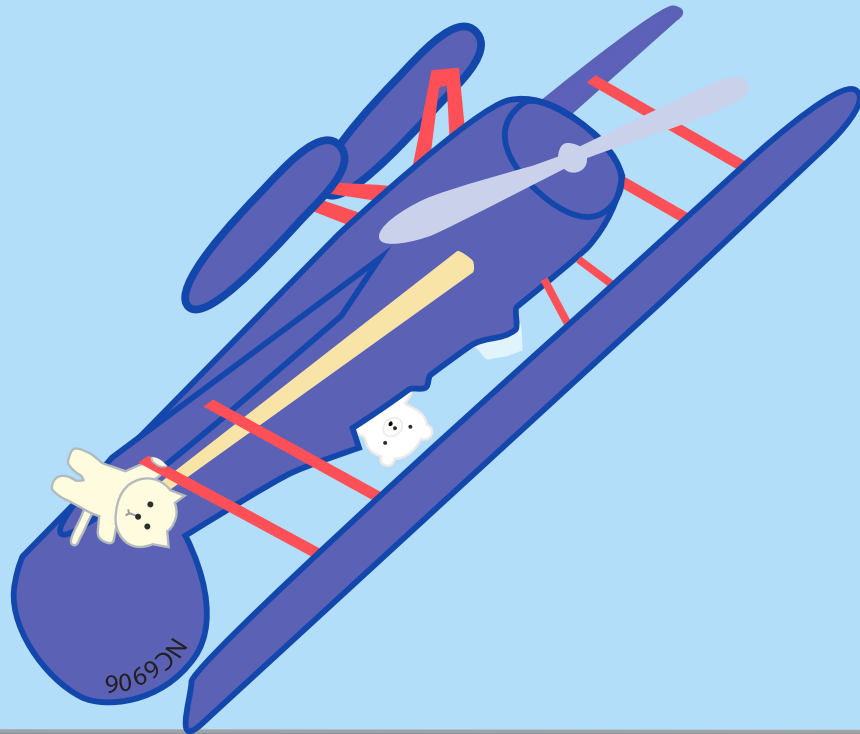

Up Cat and Po-Po were out for a fly when an unusual bridge popped out of nowhere!

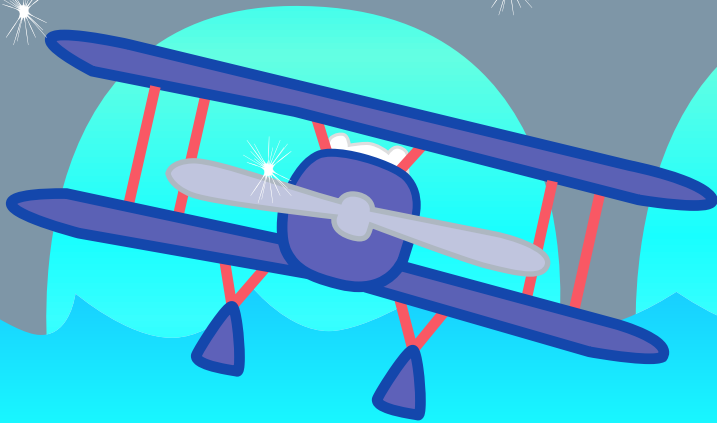

Po-Po turned to fly under it while Up Cat danced and waved at a silly fish.

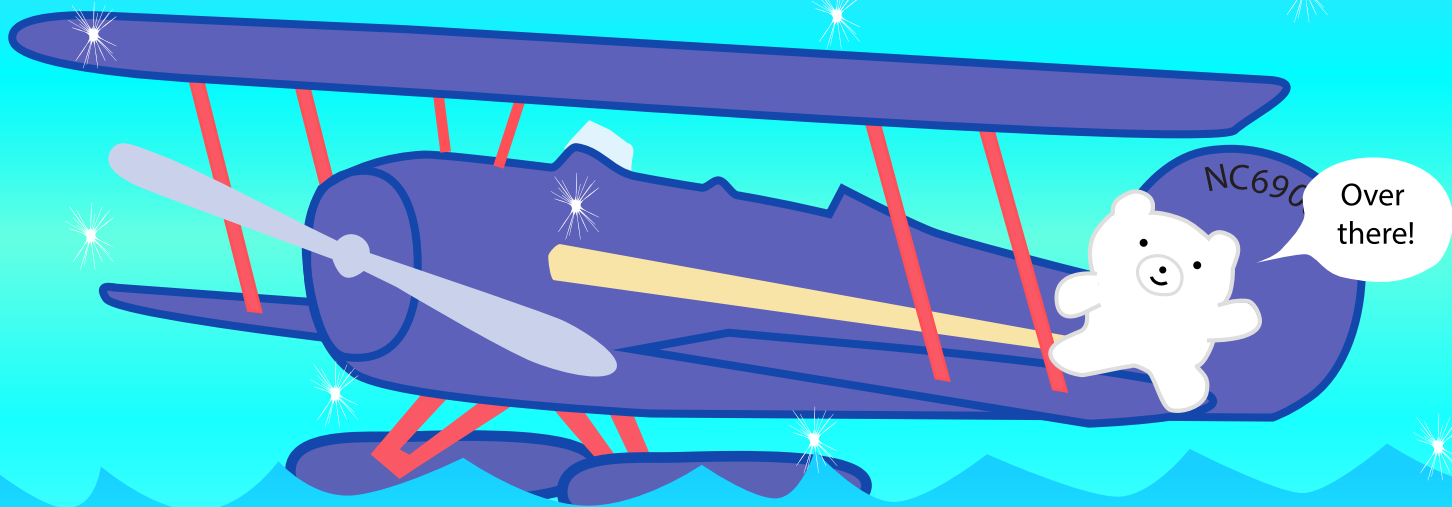

Po-Po took the seaplane for a flying flip, jjjoooom,
and, OH NO, Up Cat slipped!

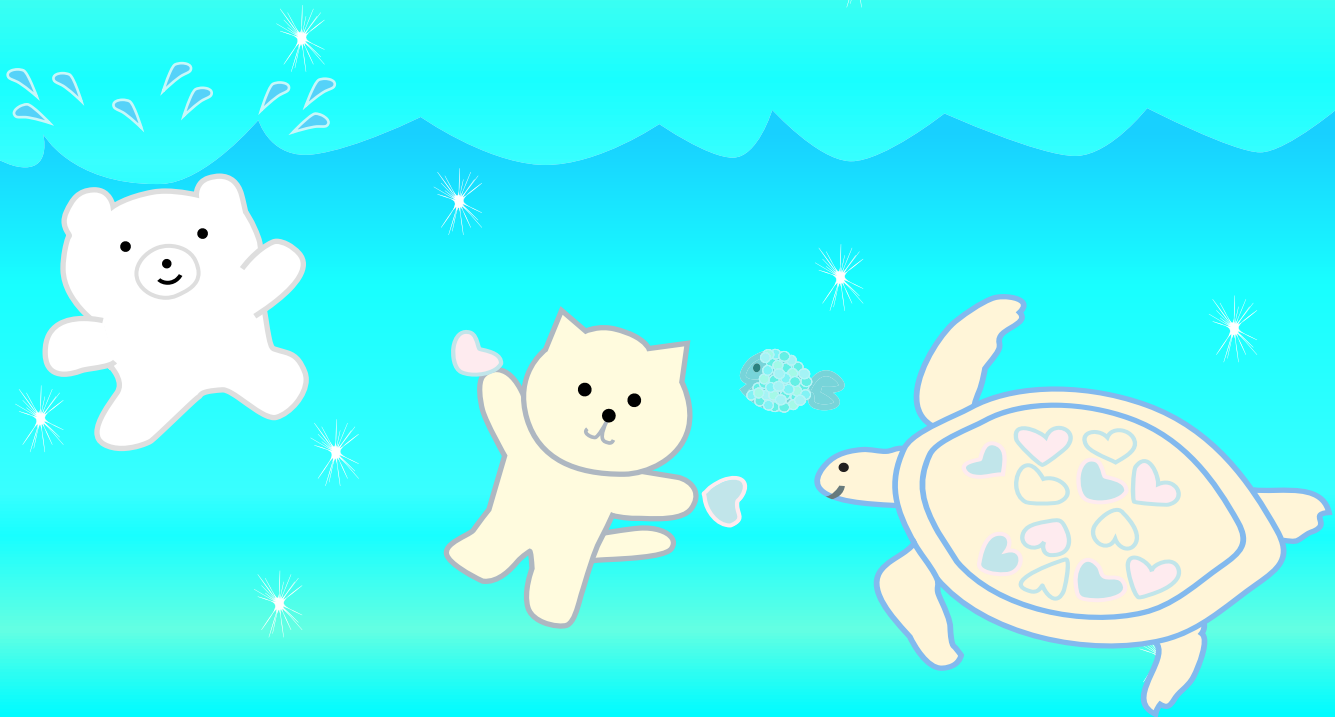

“Hold on!” yelled Po-Po as he flew under the bridge, but Up Cat let go and took a cool ocean dip!

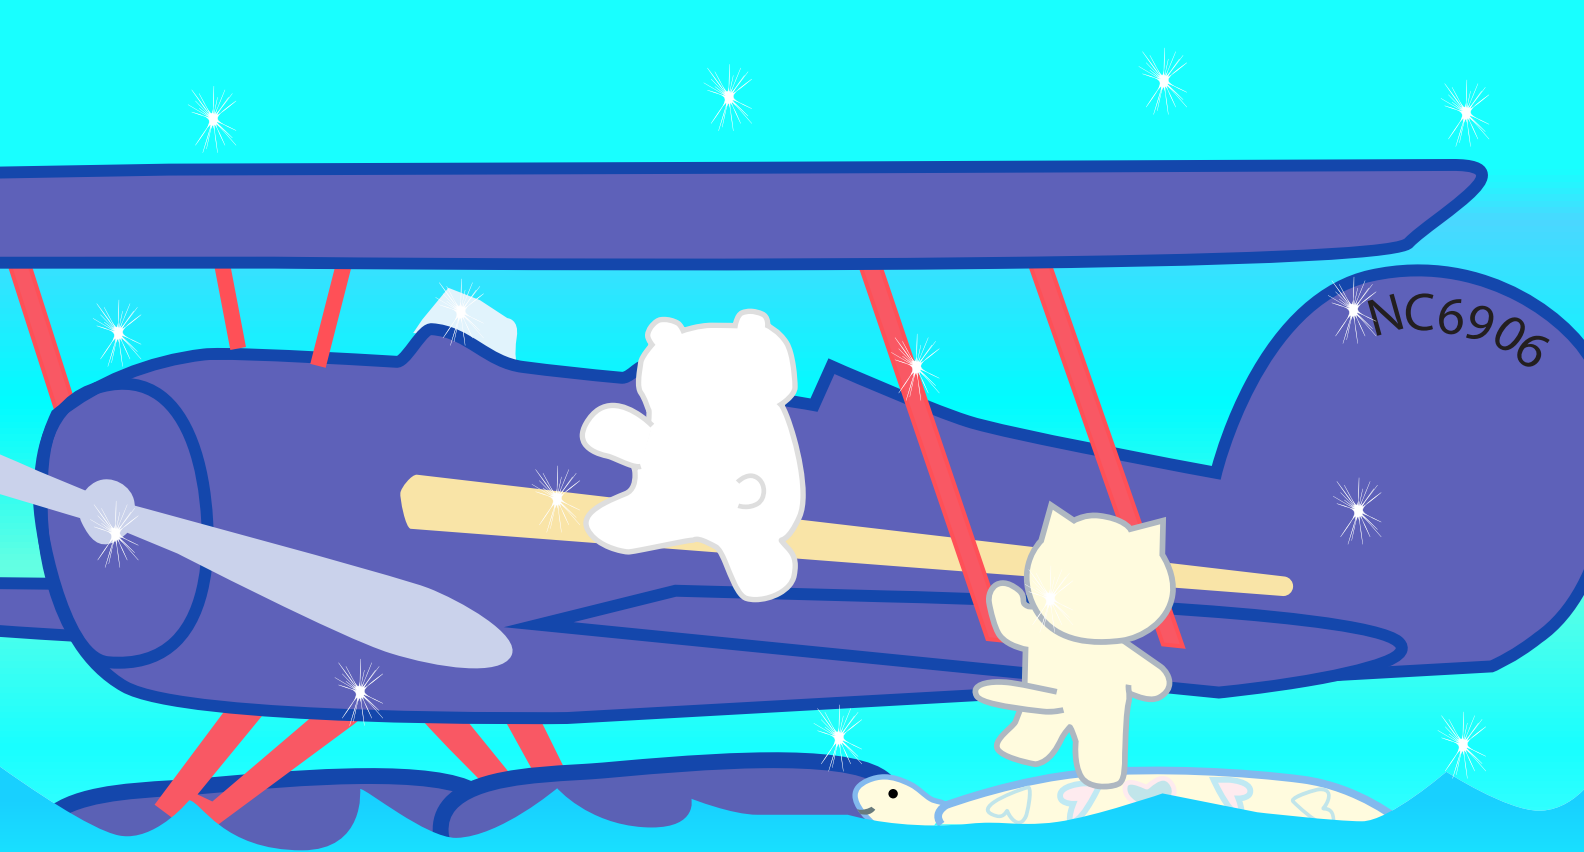

Po-Po landed and found Up Cat swimming with a big yellow turtle and the little fish!

Po-Po jumped in for a swim! Splish!
“Follow us, if you wish!” said the turtle and the fish.

Off they went!

Time well spent!

What a find! One of a kind!
This place blew their minds!

And their lives have never been
the same since...
